TA Comments Report for: **Patricia Ann Kirkland**

Q1 **Comments on TA effectiveness**

- Responds promptly to emails.
 - Trish helped me with my paper and she was a great help clarifying what i wanted to say and answered any questions i had about the material.
 - Very neutral. Nothing really stood out as particularly good or bad.
 - All TA's were very approachable and brought interesting new viewpoints to the class discussion of the material
 - Whenever I emailed her, she was a great help. But lacking TA sections, I had no real strong relationship with her.
 - Patricia Kirkland was a wonderful TA. I emailed and went to work with her directly on my paper, and she was so helpful. She knows an incredible amount of sources off the top of her head, so that was impressive, but she also dedicated a lot of her time to pushing me further and making sure I write an effective piece. She was also easy to get in touch with whenever I had a question. Patricia would make a great professor!
 - Great!
